Liturgy and Practicum

Pastor Walter Startzel

The history of liturgy in the Lutheran Church is taught with emphasis on the continuity and change in worship over time. The relationship of music, word, and action to the teachings of the church are considered, along with the sacraments and symbolism used in worship. How to conduct a worship service is the main focus of the practicum classes. The liturgy is reviewed and practical examples for use of various worship spaces are shared. Each student will lead a worship service, including the liturgy and readings.

Ignite supports lifelong learning for adults through workshops, classes, and community engagement

Anyone interested in learning more about Scripture, Lutheran doctrine, worship, prayer, and other aspects of our Christian faith is welcome to take a class.

How does the Ignite program work?

1. *You can take a class that interests you.*
You can take one or more classes to explore how the Holy Spirit is working in your life, to enhance your current discipleship, ministry as a teacher, youth worker, musician, visitor, worship assistant, etc.
2. *You can take courses to become an Authorized Lay Worship Leader (LWL).*
If you decide you would like to pursue this track, it typically takes one to two years to complete the program. Upon completion of the program, participants will be authorized to lead worship and preach at Services of the Word in our Allegheny Synod congregations, when and where there is a need.
3. *You can attend a workshop.*
Workshops based on a theme will be held in different parts of the Allegheny Synod. Workshop days will consist of a keynote speaker and several workshops from which to choose.

After reviewing this year's course offerings you decide to take the leap and register for a class, complete the registration form and return it to the Ignite registrar. You will be contacted by the instructor prior to class with a list of reading materials and any other information you might need for the class itself.

Once the course is completed, the instructor will submit an attendance sheet to the registrar. A record of participation is particularly important for those seeking authorization as a Lay Worship Leader.

Stewardship and Mission

Pastor Traci Marriott-Bowman

Stewardship – it's not just about money, but when it comes to talking about money, it's not easy topic for us Lutherans. The goal of the course is to aid participants in discerning ways of prayer and devotion that are suitable for them as individuals within faith communities, as well as some appropriately challenging ways to inspire further exploration.
