

Graduation at Voi Bible School

The Voi Lutheran Bible School celebrated graduation on 25 November 2017, with 8 evangelist students completing their course and receiving a Certificate in Theology. The students studied for 3 years and now they will return to their parish or mission area and begin working in the church as evangelists.

The graduation ceremony was joyous and spirit-filled. Several choirs sang songs in celebration of the students and their commitment to the church. Bishop Zachariah Kahuthu delivered a message to the students about the challenging and important work they will have as evangelists, ministering to God's people and serving their communities.

More than 400 people attended the graduation, including many family, friends, church leaders and international partners. After the ceremony, the students and their guests celebrated with singing, dancing, taking many pictures, and everyone shared a meal together.

We are grateful to God for each of these dedicated new evangelists. The graduates are: Abigael Adhiambo from Mombasa Parish, Augustus Gushe from Mombasa Parish, Grace Munisi from Jerusalem Parish Nairobi, Sarah Mwathethe from Malindi Parish, George Mutonga Njoroge from Loitokitok Parish, Purity Wanja Nyacia from Embu Parish, Andrea Zani Oda from LungaLunga Parish, and Julius Daniel Sinjori from Naserian Mission.

We pray for God's guidance and support as these evangelists begin their ministries. We look forward to seeing all of the good works they perform in the service of God's church.
