

Lay Worship Leader Training Registration Form

The Northwestern PA Synod, Upper Susquehanna Synod and Allegheny Synod have partnered to offer lay worship leader training. Classes will be held via Zoom with an in-person option. Following completion of the core classes (Scripture, Preaching, Lutheran Theology and Worship Leadership) students will be recommended for authorization by the steering committee and will be authorized in their home Synod to serve local congregations.

Worship Leadership

Worship stands at the center of the Christian life – as the point where God’s people bring the whole of their lives to Christ with thanksgiving and receive edification and nourishment through the Word and Sacraments. Liturgy comprises the aspects of worship that enable and support this exchange through speech, action, and method. This course will focus upon the Church’s liturgy from a Lutheran perspective in relationship to the Bible, history, Church teachings, and leadership.

Rationale / Objectives: - to deepen understanding of the Liturgy through biblical, historical, theological, and cultural influences within worship and the Christian life - to deepen understanding of the Liturgy’s structure and liturgical resources - to gain insight into the churches / contexts in which we worship the Triune God - to experience worship leadership as a presider, assisting minister, reader.

For more information on the course, including the schedule and required texts, see attached file.

Cost: \$50.00. Checks may be made payable to Allegheny Synod DYD and sent to 701 Quail Avenue, Altoona, PA 16602.
